## PROFILE

I'm a web developer with a passion for creating responsive, user-friendly, and visually appealing websites. With expertise in HTML, CSS, JavaScript, and modern frameworks, I specialize in building dynamic web experiences that bring ideas to life. Whether it's crafting sleek UI designs, optimizing performance, or developing interactive features, I love turning challenges into elegant solutions. Take a look at my work, and let's build something amazing together!

## WORK EXPERIENCE

### ShadowFox

FEBRUARY 2023
